Designers Guide to String / Festoon Lighting Solutions A5 Series

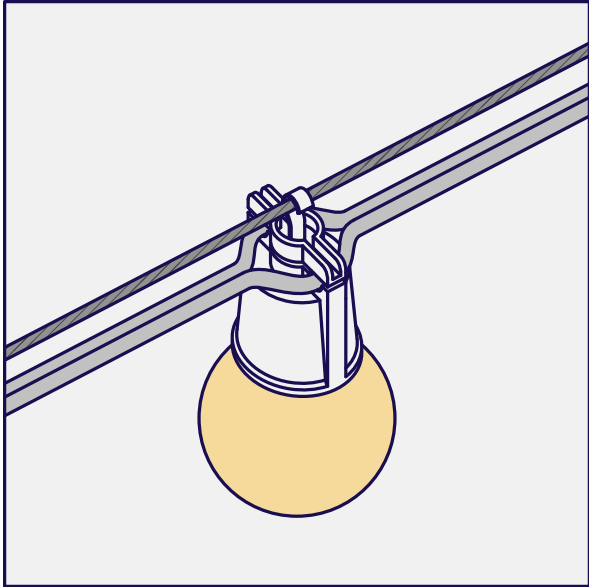

ZOZO

ZOZO is all about LINE VOLTAGE **string lights**, available with a variety of canopies and bug rating. The **replaceable LEDs** and **dual aircraft cable** system make any ZOZO product an excellent choice for your outdoor spaces.

MOUNTING STYLES

Mounting styles have been thoughtfully designed to overcome installation obstacles. Multiple design ideas can be achieved with these versatile solutions.

Suspended Mounting

The string light hangs from a separately mounted catenary cable.
